

REMARKS

Obviousness-Type Double Patenting

Claims 25-58 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 30-70 of copending Application No. 10/795,191.

Claims 25-58 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 27-30 and 32-34 of copending Application No. 10/393,098. Applicants received a Final Office Action for Application 10/393,098 dated September 14, 2007. Applicants did not respond, but instead filed a continuation-in-part, Application Number 12/037,556. Although a Notice of Abandonment has not been received for Application 10/393,098 such a Notice will be forthcoming. Applicants respectfully request reconsideration and withdrawal of this rejection when Application 10/393,098 is abandoned.

Claims 30, 34-36, 42-45, and 59-61 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 59-60 of copending Application No. 10/903,662. Applicants respectfully note that only claims 25-58 are pending in the present application. Applicants respectfully request withdrawal of the rejection of the non-pending claims.

Claims 30-32, 42-67 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 28, 31-34, and 37-61 of copending Application No. 10/909,050. Applicants respectfully note that only claims 25-58 are pending in the present application. Applicants respectfully request withdrawal of the rejection of the non-pending claims.

Terminal Disclaimers

Applicant is submitting three terminal disclaimers. The first terminal disclaimer disclaims the terminal part of the statutory term of any patent granted on the instant

application which would extend beyond the term of any patent granted on pending reference USSN 10/795,191.

The second terminal disclaimer disclaims the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the term of any patent granted on pending reference USSN 10/903,662.

The third terminal disclaimer disclaims the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the term of any patent granted on pending reference USSN 10/909,050.

Reconsideration and withdrawal of the provisional non-statutory double patenting rejections in view of the terminal disclaimers is respectfully requested.

Applicants believe that this application is now in condition for allowance. If the Examiner believes that a personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
